Completion Date: February 2011

Contact: William Hillman, PE
Chief Engineer

Project Description

Nelson & Pope was retained by the Suffolk County Department of Public Works to provide construction observation and support services for the Reconstruction of C.R. 80, Montauk Highway in East Patchogue. Montauk Highway in this area is a heavily congested, arterial highway and the goal of this reconstruction project was alleviating traffic congestion and improving vehicular and pedestrian safety. Continuous concrete curb and sidewalk was installed along with a positive drainage system and installation of new and relocation of existing utilities. The existing traffic signals within this segment were improved and incorporated into a closed loop field system. Special attention was given to the maintenance & protection of traffic and access to the adjacent commercial property in this heavily developed section of Montauk Highway.
