Construction Cost: \$5,650,000

Completion Date: August 2009

Contact: Shila Shah-Gavnoudias, PE
Commissioner

Project Description

Nelson & Pope provided the Nassau County Department of Public Works with a full-time Resident Engineer and inspection support staff who were responsible for ensuring that the contract work was completed in accordance with the contract documents and county standards. The project included extensive utility relocations, construction of four separate positive storm drainage systems, concrete curb & sidewalk installation, concrete pavement repair, asphalt pavement construction, traffic signal modifications & new pavement markings. The total length of the roadway improvements was 1.5 miles.

N&P office staff provided support for review of submittals, contractor claims and provided sketches of solutions for field modifications and utility conflicts.
