Town of Brookhaven Department of  
Parks, Recreation, Sports &  
Cultural Resources  
286 Hawkins Avenue  
Centereach, NY 11720  
631-451-6132

Contact: Edward Morris, Commissioner

## *Project Description*

Nelson & Pope was retained by the Town of Brookhaven to provide professional engineering services associated with LEED (Leadership in Energy and Environmental Design) certification for a new Parks Administration Building & Youth Center. The project was coordinated with the Town, Town's Architect/Engineer and LIPA and is based upon a "Whole Building Design", whereby specific components of design ideology, building materials, methods and facilities management are taken into account while the building and site are conceptualized, designed, built and operated to lessen the dependence on energy utilities, landfill space, and improve the building user's experience.

## *Relevant Project Components*

- Feasibility Assessment
- Technical and Research Support
- Certification Coordination
- Energy Modeling
- Design and Construction Support
