

SUFFOLK COUNTY RED LIGHT VIOLATION CAMERA SYSTEM

Suffolk County, NY

Client

Suffolk County Department of Public Works
335 Yaphank Avenue
Yaphank, NY 11980
631-852-4002

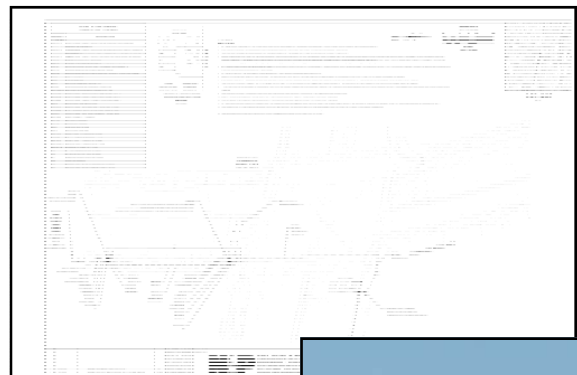

Project Description

Suffolk County approved legislation seeking the use of red light cameras at signalized intersections, and the Governor of the State of New York signed into law a bill authorizing a pilot program for the installation of these systems at fifty (50) intersections in Suffolk County. Nelson & Pope, in conjunction with ACS State & Local Solutions, Inc., is involved in the planning, design, bidding, and implementation of this pilot program to record red light violations at traffic signals within Suffolk County. The goal of this pilot program is to reduce the number of violations and red light violation related accidents at signalized intersections in the County.
