Contact: William Hillman, PE
Chief Engineer

Project Description

Nelson & Pope was retained by the Suffolk County Department of Public Works to prepare a drainage study, detailed road improvement plans and specifications for the widening and reconstruction of approximately 2 miles of roadway. N&P prepared documentation for a presentation of the project to the County's Council on Environmental Quality. Phase 1 construction was completed in 2007 and the Phase 2 contract letting is scheduled for 2011.
